One autumn day our English Teacher has got an idea:
"I want to meet your favourite toys!
Can you bring them into the class, please, and introduce them to your classmates? It's going to be fun!"

Here they are!!!!!!

A group of children in a classroom setting. In the foreground, a boy in a blue patterned vest is holding a small stuffed dog toy. To his left, another boy in a grey shirt and dark vest is also looking at the toy. In the background, two girls in dark blue dresses with green buttons are looking on. A white sign with black text is overlaid on the image. The text on the sign reads: "My name is Vējas. This is my dog." The sign is tilted slightly to the right. The background shows a classroom with wooden desks and other children in similar attire.

My name
is Vējas.
This is my
dog.

My name is Lukas. This is my Angry Bird.

My name is
Ažuolas.
This is my

A photograph of two young boys sitting at a light-colored wooden table. The boy on the left is wearing a dark blue turtleneck sweater under a dark vest with a light-colored grid pattern. He is looking towards the boy on the right. The boy on the right is also wearing a dark blue turtleneck sweater under a dark vest with a light-colored grid pattern. He is holding a brown and white stuffed dog. On the table in front of them are two other stuffed dogs: one is black and white, and the other is brown and white. In the background, there is a wall with a poster that has the word 'POUNTS' at the top and some text below it, including 'It can't go', 'We can't go', 'You can't go', and 'They can't go'.

In the background, there are wooden desks and chairs, and windows with horizontal blinds. Two white speech bubbles with black text are overlaid on the image. The first speech bubble, pointing to the boy on the left, contains the text "Nice to meet you." The second speech bubble, pointing to the boy on the right, contains the text "Nice to meet you too."
